

International Council for Education Research and Training

ICERT, USA and India

ICERT Global Scholar Research & Publication Fellowship (GSRPF) Jun-Jul 2026

An 8-Week International Fellowship for Emerging Researchers

45 Hours of Structured Research Training & Academic Practice

Program Overview

The ICERT Global Scholar Research & Publication Fellowship (GSRPF) is a prestigious international fellowship designed to equip undergraduate and postgraduate students with advanced research, academic writing, and publication skills. This program brings together students and faculty from across globe, creating a truly global research ecosystem. Participants will gain hands-on experience in research design, data analysis, and scholarly publishing, culminating in a publishable research paper.

Why This Fellowship Stands Out

- Global Exposure – Learn with peers from diverse learners
- Research-Focused Training – Practical, not theoretical
- International Faculty Sessions – Experts from global institutions
- Publication Opportunity – Submit your work to ICERT International Journal
- Mentorship Model – Optional guidance from global faculty
- Recognized Fellowship Certificate – With ~45 learning hours

Program Structure (8 Weeks)

Week 1: Research Foundations in a Global Context

- Identifying high-impact research problems
- Understanding global research trends
- Interdisciplinary research approaches

Week 2: Advanced Literature Review & Research Gap Identification

- Systematic literature review techniques

- Using AI tools in research (ethically)

- Identifying publishable research gaps

Week 3: Research Design & Methodology (Modern Approaches)

- Quantitative, qualitative & mixed methods
- Case study, survey, and experimental designs
- Designing research for real-world impact

Week 4: Data Collection in the Digital Era

- Survey tools & online data collection
- Ethical considerations in global research
- Working with cross-country datasets

Week 5: Data Analysis & Interpretation

- Data Storytelling: Turning Statistics into Scholarly Insights.
- Interpreting data for publication
- Avoiding common research errors

Week 6: Academic Writing & Research Paper Development

- Structuring a high-quality research paper
- Writing abstracts, discussions, and conclusions

- Referencing styles (APA/MLA/Chicago)

Week 7: Publishing in International Journals

- How peer review works
- Journal selection strategies
- Avoiding predatory journals
- Responding to reviewers

Week 8: Research Presentation & Capstone Submission

- Presenting research to an international panel
- Feedback from global faculty
- Final paper submission for publication consideration

Program Commitment

- Duration: 8 Weeks
- Time Commitment: 4–6 hours per week
- Live Session: 2 hours/week (Weekend)
- Total Learning Hours: 45 Hours

Certification

Participants will receive:

“ICERT Global Scholar Research & Publication Fellowship (GSRPF) Jun-Jul 2026 Certificate”

- Recognizing 45 Hours of Structured Research Training
- Endorsed by ICERT (USA & India)
- Highlighting research & publication

- competencies

Publication Opportunity

- Participants may submit their research paper to the ICERT International Journal
- **Mentored co-authorship opportunities** (based on contribution & faculty involvement)
- Selected papers may be published after peer review

Program Fee

\$25 (Subsidized Global Access Fee)
Supported under ICERT’s mission to make research training & publication accessible globally

Upcoming Cohort

- Primary Cohort: June – July

Who Should Apply?

- Undergraduate Students
- Postgraduate Students
- Early-stage Researchers
- Aspiring authors & academicians

Final Value Proposition

This is not just a course.
It is a global research experience that enables students to:

- ✓ Think like a researcher
- ✓ Write like an academic
- ✓ Publish like a scholar
